On a separate sheet of paper explain your personal goals and state any other information you would like the Selection Committee to consider while processing your application. You must also include the answers to the questions below.

1. In your own words please tell us what you know about Rotary International and your perspective on their motto of "Service above Self".
2. Extra-curricular activities, offices held and special honors received.
3. Colleges where you have been (or anticipate being) accepted.
4. List other scholarships and amounts you have been awarded.
5. Interests or hobbies outside of school.
5. Work Experience.
6. Family Information:
  - A. Parent(s) or guardian(s) and their professions.
  - B. Other siblings in college.
  - C. Family financial situation (parents gross include from tax return).

While this information is not required, improper submission or deletion can have an adverse effect on selection. This is due to our desire to ensure that our scholarships go to those who can best use them.

You are applying for a general scholarship of \$2000

We have no objection to the above information being made available to the faculty or Rotary Scholarship committee members to assist them in the scholarship selection process.
